

Figure 3.18.**Cities in which international organization headquarters are located, by numerical ranking***Edition 61, 2024/2025 (data collected in 2023)*

This table lists cities in descending order of the number of international organization secretariats of Types A to D in this edition of the Yearbook located in that city. See 1.2. "Geographical names" for further information on country names

Both intergovernmental and non-governmental organizations are included here. Only cities with principal secretariats of at least 10 international organizations classified as Types A to D are included here. Only principal secretariats are included.

See 1.3. "Types of organization" for more information on organization types.

In addition, totals are given at the end of each row by cluster. The organization types allocated to each cluster are as follows:

Cluster I (International organizations): Types A B C D F

Cluster II (Dependent organizations): Types E K R

Cluster III (Organizational substitutes): Types S T

Cluster IV (National organizations): Types G N

Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

For a detailed analysis per city and per organization type, see Figure 3.17.
