Figure 3.9.
Country participation in international organizations by "mother" country
Edition 63, 2026/2027 (data collected in 2025)

This table is derived from Figure 3.1. of edition 41 (2004/2005, for which data was collected in 2003) through edition 63 (2026/2027, for which data was collected in 2025), in intervals of two years.

Figure 3.1. indicates the number of organizations of which a country or territory is a member, whether directly or through the presence of members in that country; it lists separately all countries and territories mentioned in the descriptions of international organizations. **In this Figure 3.9**, a country or territory is listed **only if** it meets one of the editors' definitions of "mother country".

The first definition of "mother country" is that the country or territory:
(a) is a member state of the United Nations; or
(b) is a non-member state maintaining a permanent observer mission at UN Headquarters; or
(c) is an entity having received a standing invitation to participate as an observer in the sessions and the work of the General Assembly and maintaining a permanent office at UN Headquarters.

The second definition of "mother country" is that the country or territory does not meet the above conditions but:
(d) lies entirely within one of the countries listed here. In this case, it is counted together with the country within which it lies. For example, organizations whose descriptions specify members in Scotland or Wales are counted here together with organizations whose descriptions specify members in the UK; or
(e) is in some way a dependency of one of the countries listed here. In this case, it is counted together with the country from which it depends. For example, organizations whose descriptions specify members in Pitcairn Island or Bermuda are counted here together with organizations whose descriptions specify members in the UK; or
(f) is defunct and the area it once covered now lies within the borders of one single country listed here. In this case, it is counted together with the country within which it now lies. For example, organizations whose descriptions specify members in the German DR are counted here together with organizations whose descriptions specify members in Germany.

A country or territory is excluded entirely from this table if:
(a) the organization describes its membership in that country or territory as being "in exile"; or
(b) it refers to an area which does not lie within the borders of one single country listed here; or
(c) it is defunct and the area it once covered is now split over the area of more than one other country.

Note: It is not the intention of the editors to take a position with regard to the political or diplomatic implications of either the status of any region, or of geographical names used. See 1.2. "Geographical names" for more information.

Countries are listed alphabetically.

The figures given here represent **only organizations of Cluster I** (that is, types A B C D F). For each of the years included, the first line for each country indicates the number of intergovernmental organizations (IGOs) of Cluster I with members in that country, the second line indicates the number of international non-governmental organizations (NGOs), and the third line gives the total of the first two. See 1.3. "Types of organization" for more information.
